

The image shows a collage of Anipal products. At the top right, a large banner reads "PROTEGE TUS CULTIVOS. PROTECCIÓN DE OLIVOS, NARANJOS... CONTRA ROEDORES Y HERBICIDAS." Below it, the Anipal logo is displayed. In the center, a wooden post supports a young olive tree. To the left, a close-up of a "Protector TREEX" tube around a plant stem is shown. To the right, several cylindrical mesh tubes of different heights are lined up in a field. Below these are four detailed product descriptions: "Protector BICAPA" (a double-layered mesh tube), "Malla RECTANGULAR" (a rectangular mesh tube), "Malla HERBATECH" (a green mesh tube), and "FORESTAL Tubo" (a tall, thin green mesh tube). Each product description includes its name and a small technical diagram.

An image showing various ANIPAL agricultural products. It includes three long-handled rakes (two green, one red), a black bucket, a black wheelbarrow-style cart, and two black bags. In the background, there are two long-handled poles with blue and orange handles, and a large blue circular logo for ANIPAL.

The image shows a Kamikaze KVS 8000 cordless chainsaw in three different battery formats: standard, compact, and micro. The top part features the Kamikaze logo with the tagline "Performance in your hands". Below the saws, there is descriptive text in Spanish: "Tres formatos de baterías para la gama más completa del mercado" and "Corte sin Esfuerzo – Tijeras Eléctricas Kamikaze".

Zodiac offers a range of automatic and hydraulic pool cleaners, including the RG 2000 Genius, MX 9, RA 6500 IQ 4WD, EXPERT Clorador salino, and various water treatment systems like MagnaPool, MINERALES, and CRYSTAL CLEAR.

The image shows two large coils of irrigation tubing. The left coil is black and labeled 'Tubería de goteo' with 'goteros autocompensantes integrados'. The right coil is brown and labeled 'Tubería de polietileno con goteros integrados turbulentos'. Each label includes a small inset image showing a cross-section of the tubing's interior.
